If it is hard to narrow down your choice, don't worry, VI offers you the flexibility to enjoy a new destination each year or return to the comfort and familiarity of your favorite resort. Of course, you can choose to do both in the same year!

With the VI Point system as your vacation currency, you're not locked into a specific resort location or time of year. Each year, you choose where to vacation, how long you'd like to stay and what size condo fits your need. From a long weekend to a relaxing beach vacation or a family reunion, VI fits your leisure needs, year after year.

Comfort comes with you, no matter which resort you choose to visit. All of our resorts offer condominiums, most with full kitchens, separate living and dining areas, and private balconies with breathtaking views.

Need even more options, we have them. Exchange, cruise, tours, we scour the travel world to offer the best deals and authentic experiences that are a gateway to the worlds most exciting and desirable destinations.

While you are choosing how to use your time you have security in knowing that deeds to VI condominiums are held in a debt free real estate trust for the benefit of all VI Members, ensuring your investment.

From your first call to plan your vacation, to the "welcome home" approach you'll receive at our resorts, you'll be embraced by the Vacation Internationale commitment to service and quality. You are treated like family, because you are family. We are committed to making your vacations hassle-free and relaxing, after all, you deserve it!
